How it Works

Hello and welcome members. This info packet will contain everything you need to get started as a member of the Flushing Ski & Snowboard Club. What follows is a is a step-by-step guide through the entire process.

STEP ONE - Forms & Waivers

Fill out all of the forms within this packet. If you plan to rent equipment there are some extra forms for you to fill out. If you have any questions about this packet or the club, please visit our Facebook Page (https://www.fb.com/flushingskiclub) or search for Flushing Ski & Snowboard Club on Facebook.

All forms need a wet signature. The forms can be filled out and scanned, then emailed back to flushingskiclub@gmail.com. You may also turn the forms into our sponsor at Mt. Holly in the Fireplace Room of the Slope Side Cafe between 4:30 -5:30pm on ski club nights. These forms and payment must be received before you can buy a lift ticket, take lessons and start skiing or snowboarding.

STEP TWO - Payment

All membership cards for both students and adults are $25 each. Please send payment to our club sponsor. A membership card must be purchased before buying a lift ticket.

Venmo

Send Venmo by scanning the QR code to the left with your phone or by sending it directly to @Katie-Stoddard-10. Cards purchased before club dates will be mailed to families.

Cash

You can pay cash by visiting our sponsor, Katie Stoddard, at Mt. Holly on the first club night you attend. She will be in the fireplace room of the Slope Side Café (main cafeteria-upstairs) from 4:30pm to 5:30pm.

STEP THREE - Let's Go Ski & Snowboard

Select Fridays throughout the winter are FSSC Club nights. Please check our website for the schedule. Students 10 and under are required by Mt. Holly to have a chaperone with them.

4:30pm - Arrive at Mt. Holly and buy your lift ticket from our sponsor, Katie Stoddard, in the Fireplace Room of the Slop Side Cafe.

Get on the lift or proceed to renting equipment.

5-6pm - Patch Lesson begin, the more lessons you pass the more lifts you can go on. This is the first thing most students will do so they can maximize their lift ticket.

9pm - Student pickup. At 9pm our sponsor leaves the Mt. Holly and all children without a chaperone are to be picked up prior to this time.
